

ANNUAL REPORT – 2022-23

PRIMARY

“A dream becomes a goal when action is taken towards its achievement.”

Good evening, ladies and gentlemen.

Annual report is that we take stock of the Year gone by. Reviewing of the achievements and the innovations. To be a contemporary centre of learning means integration of quality education while focusing on the needs of the children in changing and complex world. Keeping this in mind IPS school is striving in building respectful and responsible citizens empowering learners and ensuring harmonious development. We share our faith in love and work together to help each student of our institution in reaching their heights.

“As it is rightly said a man without education is a building without foundation”. We thank the almighty for all the blessings bestowed upon us year after year.

The academic year 2022-23 commenced on 6th June with welcome day and celebration of world environment Day.

At present we have strength of 439 students, 32 academic staff, 27 supporting and multi-tasking staff.

Investiture Ceremony:

The newly elected our school office bearers took an oath of office and pledged to bestow their duties to the best of their abilities on 18th August. The school cabinet was led by Head boy Ram Ruthwik Gowda and Head girl Tejitha. The school was divided into four houses namely, Emerald Ruby Sapphire and Topaz. Emerald was headed by Abdullah, Ruby by Preetham Balaji, Sapphire by Surya and Topaz by Bhuvan.

National festivals:

We realise the importance of developing in every child a feeling of patriotism and self confidence that could enable students to reach their fullest potential as responsible and protective citizen in a diverse society by celebrating national festivals like Independence Day, Republic Day, Kargil Vijay divas, Teachers Day, Children's Day Gandhi Jayanti, National youth day, Constitution Day with equal vigour energy and happiness. we also celebrated Kannada Rajyostava day on november 1st during which our students presented models and folk song which depicted the rich heritage of our state.

Parent Teacher meeting:

Great opportunity for parent and teacher to develop a healthy and strong relationship for the holistic development of a child. it's time set for listening, sharing and working together to help the child succeed. Formative assessments and summative assessments are regularly conducted to assure the students' academic performance. Open day was held after each term and parents were shown answer sheets of their children and suggestions were taken to improve their performance and solve their academical issues.

Co – Curricular Activities:

CCA have become a fundamental part of school life. The cultural team have organised many competitions which have the students to participate and develop their creative and critical thinking, communication and collaborative abilities. Painting, Drawing, Rangoli competition, Essay writing, Handwriting, Spell bee, Cooking without fire, Fancy dress, Debate, Group song, Storytelling, Poem recitation etc. All the above-mentioned competitions help the children to build the confidence and it will make them to think out of the box. In fact, judges had very tough time in deciding the winners of top 3 places.

Abacus:

Mental arithmetic raise students reading and writing ability. It boosts better and faster calculation skills. Our school provides abacus facilities for students of grade 1 to 6 and enhances them to solve the logical problems effectively.

Dance:

Dance is the hidden language of the soul. It is the perfect medium for the expression of joy love and happiness. So, IPS has understood the need for it and provided regular dance classes for the overall development of the students.

Art and craft:

Our knowledge is the amazed thoughts and experience of innumerable mind. Students are encouraged and well trained in the field of art and craft.

Achievers meet:

“Success in life is not for those who run fast but for those who keep running and always on the move.”

IPS is proud to share that once in two months we invite achievers for the from the different fields and enable the students to witness enthralling interactions with our achievers who would be sharing their preparation strategies and how they were able to navigate the complicated routes to achieve their dreams. The Resource persons were Mr. K.S.P Narayanappa – Retired headmaster, Ms. Rashmi Mohan - Nutrition and dietician, Prof. Thangavelu – Tutor for competitive exams, Mr. Suresh Babu – Principal of Kidzee international school, Bagepalli and Ms. Hemalatha - health coordinator and district health officer. Indeed this was great learning experience for our students.

Horticulture visit:

In the month of November and December we visited college of horticulture, at kolar. It enlightened our students to know how horticulture is related to science and technology.

Inter school Competitions

we participated in cultural fest at Bellur, Narsapura and won first and third place in debate competition. we also participated in science contest organised at Green valley public School and also at Sri Devaraj Urs medical college kolar and won some prizes.

Medical check-up:

Medical check-up was organised at our school premises. This year an eye camp was organized for the students. Students are vaccinated at regular period to keep them healthy and strong.

Teachers training:

Anyone who stops learning is old, whether this happens at twenty or at eighty. Anyone who keeps on learning not only remains young but becomes constantly more valuable regardless of physical capacity. Teachers learning is a continuous process that promotes teacher's teaching skills. In turn it helps to improve students learning. Effective teacher learning and professional development is important for student achievement. Recreational games were also conducted for the teachers during the training sessions.

Annual Sports day:

Our school students enthusiastically participated in annual school sports meet which was held on Jan 12th 2023 and represented IPS in the inter school sports meet and exhibited wonderful skills and bagged many trophies.

Bhuvan and Anushree were qualified for state level chess tournament. IPS hosted school-division level Kabadi tournament in the month of October.

New initiatives:

IPS family can proudly boast about the smart classrooms and separate computer lab with latest software facilities. The school has provided a full-fledged and equipped with necessary instruments for science lab. Newly math lab is installed with modern equipments. New arrival books are added to the library with already existing facilities. A separate sports room is set up with additional sports materials.

Counsellor and special educator:

At our noblest we like to announce that we have student counselling facilities and special educator at our premises. School counsellors design and deliver school counselling program that improve student outcomes. They lead, advocate and collaborate to promote equity and access for all students by connecting their counselling program to the academic mission.

“Success is no accident, it is hard work, perseverance, sacrifice and unending support of our managing directors for their relentless effort in producing best persons in all the fields and lot of targets are still being a head of us for further developments.

On this occasion I thank all the parents and well-wishers for their support and encouragement rendered collectively which enabled our students fulfill their desires.

Finally, I can tell how proud and blessed the IPS family to have a talented and wonderful co-operative staff without whom it is impossible to guide the ship of IPS School to its destination. So, I thank the teaching, non-teaching and maintenance person for your sincere and never-ending co-operation.

This Annual report has shown that we achieved a lot, indeed more. No doubt can still be done. Excellence in every field should be our goal.

Thank You All
